

## TIGER WORLD ADOPTIONS

Give a unique gift and adopt an animal at Tiger World. Your adopted animal stays with their friends at Tiger World, but you will feel like you added a new (but big) member to your family. This is a great opportunity for individuals, families, organizations and schools to participate in conservation efforts. Adoption costs vary from as little as \$25 per month. You can choose any of our animals including our Tigers, Lions, Leopards, Monkeys, Bears and more. You will receive an Adoption Certificate, and depending on the level of Adoption you choose you can get Season Passes, a beautiful poster of your animal, updated pictures via Facebook or email, a Plaque at the animals habitat, and you can visit and meet and greet with your adopted animal at Tiger World. Your donation goes directly to helping care and support the animals plus assists our efforts to rescue more animals in need. Your adoption donation is tax deductible. Our Adoptive Parents has been an integral part of our growth and being able to continue our mission. Become part of our family today!
